Nizaqat Ali
Frontend developer

+92.342.5082975   hafiznizaqatali@gmail.com   Hafizabad Road, Gujranwala, Pakistan

Summary

The purpose of this resume is to pursue a successful career in software development. I am offering analytical and problem-solving skills to create dynamic,responsive website. My specialty are as:

- Identified **web-based user interactions** and developed highly-responsive user interface components via **React concepts**
- Translated **designs & wireframes** into high-quality **code** and wrote application **interface code** via JavaScript following **React.js workflows**
- Developed the **latest user-facing features** using React.js and built reusable components & **front-end libraries** for future use.
